REQUIRED SUMMER READING: All incoming sixth-grade students must read *Out of My Mind* by Sharon Draper over the summer and then read two other books of their choosing from the list. Most of the books are available in paperback from local bookstores or from libraries. If more than one edition is available, be sure to select the unabridged edition. If it becomes impossible to locate a particular book, make another choice from the list.

At the beginning of the school year, sixth-grade English classes will discuss student selections. Students’ reading will be assessed through a variety of exercises including written reports and special projects. Teachers will give students the report and project requirements when school begins. Record all additional books that you read.

We've worked to create lists that reflect a variety of styles, genres, and experiences -- enjoy! If you’d like to learn more about these books, you can ask your English teacher or one of our librarians, look for descriptions on Amazon or Goodreads, or see what your friends might recommend. You can also find the books in our library catalog at this link: [https://tinyurl.com/usn-srl-6](https://tinyurl.com/usn-srl-6). Happy reading!
